

County Accepts All Roads in Sleepy Hollow

When the members of the Sleepy Hollow Improvement Association gather Sunday afternoon and evening at the home of Mr. and Mrs. Joseph B. Downs for their semi-annual get-together cocktail party, they'll really be in the mood for a few toasts.

Reason is ALL the roads in Sleepy Hollow Units 1, 2 and 3 are now county roads.

The County Board of Supervisors on Monday accepted all the roads that had not already been taken over by the county.

IN A LETTER to the association membership, President Joseph De Costa reported the acceptance, and he paid particular tribute to "the efforts by the Board of Directors of the Sleepy Hollow Improvement Association and our Road Committee."

The Road Committee, which has been working for this objective over a long period, consists of DeCosta, Chairman Everett A. Hamm, Jr., and Dr. James Seaman.

Included in the county's Sleepy Hollow road "children" are six main roads and about a dozen courts leading off the main roads.

DROPPING A WORD of calm into the Sleepy Hollowans' jubilation, DeCosta cautioned:

"Don't expect miracles. The county will not repair all these roads overnight. But it will maintain them in a safe and passable condition until more funds are available."

Scouts Advance at Court of Honor

Following a Board of Review June 5, Boy Scout Troop 207 held a Court of Honor Tuesday night at Orinda Scout Hut.

Gordon Fowkes and Mike Downs became Second Class scouts at the ceremony; Bill Ready, Wallace Marsh, Jeff Rodden, Roger Stocker, Don Morrow, Don March and Bill Demeter, First Class; Hugh Oliphant, Star Scout, and Gerry Cullen, Peter St. Hill, Phil Hunter and Tom Veitch, Life Scouts.

The following received merit badges: Gerry Cullen, Peter St. Hill, Allen Sutton, Hugh Oliphant, Tom Veitch, Phil Hunter, Hart Corbett, David Blaney, Bill Ellermeyer, Jack Gray and Dennis Collins.

Awards were presented by Committee-men Harry Oliphant, Bill Corbett, Bud Thurston and Ed Ready. Orville Sutton is advancement chairman.

Many members of Troop 207 are making plans to attend summer camp at Wolfboro for the session late in June.

Felven Gould in Fighter Air Unit

Felven E. Gould, aviation chief machinist's mate, husband of Phyllis Gould of 20 Owl Hill Road is a member of a fighter air group aboard an aircraft carrier operating in the Korean area. Gould is the son of Mr. and Mrs. J. J. Gould of Phoenix, Ariz.

Before going into action, the squadron personnel received extensive training in rockets, cannon and heavy machine gun firing at the Naval Gunnery Range, El Centro, Calif.

John Ogden Will Lead Cub Pack 32

John Ogden will be cubmaster of Pack 32 next year. Mrs. Kirk Miles will take charge of publicity, and Mrs. Teachout will be cub mother advisor.

On June 1 Douglas Ellinger and Mickey Wilbur were introduced for new membership. Darryl Courtwright received his Bobcat award.

Webelos graduating to Boy Scouts were Walter Bumgarner, Jack Ogden, Dick Schreiber, Roger De Wolf, Bill Klement and Jerry Gillivan, in a candlelight ceremony at Orinda Grammar School.

P. O. Taking Bids on Hire of 5 Vehicles

Proposals will be received at the office of the postmaster at Orinda until 4 p.m. tomorrow for the hire of five vehicles without drivers on either an hourly or annual rate basis for use in delivering mail and for special delivery service.

For further particulars inquire at the Orinda Post Office.

Graduation Tonight for 70 Students; They're This District's Biggest Class

Tonight climaxes the elementary school years for eighth graders here.

Seventy boys and girls of Orinda and Glorietta Schools will become graduates when they receive their diplomas at commencement exercises in Orinda School auditorium.

The ceremonies, to start at 8 p.m. will mark graduation of the largest class the Orinda Union School District has ever had.

PRESIDENT EDGAR STEWART of the Board of Trustees will present the diplomas, following presentation of the Class of 1951 by Mrs. Florence Beeman, eighth grade teacher at Glorietta School, and James E. Comer, eighth grade teacher at Orinda School.

The program will open with Salute to the Flag by John Conley, to be followed by invocation offered by Rev. Fred Morrow, vocal selections by the graduating class and piano selections by Janet Nelson. In its vocal renderings, the class will be directed by Mrs. Charmaine Barr and accompanied by Joan Hoag.

CLASS GIFTS will then be presented—by Jack Gray for Glorietta School and Janis Armstrong for Orinda School. Mark Jensen will accept for Glorietta School, Heather Ambler for Orinda School.

An accordion selection by Peter St. Hill, the class farewells—given by Shirley Gee for Glorietta and Larry Collins for Orinda—and a cello selection by Ann Kalbfleisch, accompanied by Mrs. C. Kalbfleisch, will come next.

President Don Hunter of the Orinda Lions Club will make the annual scholarship awards. Guest speaker will be Dr. Enoch Dumas, University of California lecturer in education.

Following singing of the class song by the graduating class, the class will be presented and the diplomas will be given. Singing of "The Star Spangled Banner" will conclude the program.

Grass Fire at Fleager Home

A temporarily unattended rubbish fire yesterday afternoon outside the home of Clarence E. Fleager at 32 Via Floreado spread when the burning material rolled downhill, Fire Chief H. E. Wyatt reported.

The small grass blaze that resulted was quickly extinguished by the fire department. The chief said that a boy who had been doing the burning had made the mistake of leaving it.

With Fourth of July less than three weeks off, Chief Wyatt warned that possession and use of any fireworks are prohibited in the Orinda Fire District. He stressed that parents are responsible in cases involving children, and that penalties are provided for violations.

Eight Going to Cazadero Camp

Eight Orinda high school students are off tomorrow for the East Bay area Young People's camp of the Northern California Pilgrim Fellowship to be held June 16-23 at the Congregational conference park north of Cazadero.

Directed by Mrs. Hewitt Kendall, Piedmont Community Church counselor, the camp features study classes, campfire programs, outdoor worship services and such recreations as swimming, hiking and group sports.

Those who will attend are Catherine Monroe, Judy Hall, Tania Hudd, Have Barrows, Carl Drews, Bob Diehl, Ben Randall and Robin Muse. Parents of the group will drive their cars to furnish transportation to the camp.

Visited by Daughter

Mrs. David R. Walton, daughter of Mr. and Mrs. Frank S. Leahy, is visiting her parents for the summer.

Mallory Renamed To State Board

Announcement has been made in Sacramento of the reappointment by Governor Earl Warren of Benjamin E. Mallory, 33 Overhill Road, to a four-year term on the State Personnel Board.

Mallory has already served 12 years as a member of this constitutional board, which administers the state civil service.

The board establishes policy, makes rules and sets salaries for over 50,000 employees who are under civil service. The board also acts in a quasi-judicial capacity to conduct hearings on employee appeals.

Ah, Summer and Playclothes Here

Orinda is warming up these days, which accounts for the rash of sun-burned areas, both exposed and unexposed, and the fetching epidemic of tricky sun clothes, (should we say, on?) the feminine population.

High spot for the week of June 7 through 13 was Wednesday when Old Sol put a match under the thermometer and raised the temperature to a semi-torrid 86 degrees.

Low spot of the weather week was Monday when 43 degrees was recorded by the local weather bureau.

The gentle winds Wednesday are credited with preventing a good old fashioned 1950 version scorcher.

Looking for Owner Of a Schnauzer

Barney Smith of the Associated Service Station at the Crossroads, is trying his best to be a good Samaritan, but so far, hasn't met with much success.

Late Tuesday night, when Barney was driving between the Slide and Broadway Tunnel, he spotted what looked like a silver fox lying in the middle of the highway.

He stopped his car and went back, only to find that what had looked like a fox was in reality a Schnauzer that had evidently been hit by a car.

Seeing the dog was injured, Barney bundled the victim into his car and took him to a Berkeley veterinarian. Now Barney is doing his best to locate the owner, as he says the dog is obviously a good breed and his recovery would undoubtedly be speeded if his owner could be found.

The Schnauzer, a male about a year old, suffered a broken pelvis when he was hit, but is beginning to eat now and the veterinarian feels that he will recover.

New Choice for Meanest Person

There are people—and people. Rating pretty low in the human scale as far as Orinda Lions and Boy Scouts are concerned is the person, or persons, who proceeded to make an early morning paper drive of his own during the June 2-3 paper collection campaign of Orinda Scout Troops 200 and 207 and Explorer Post 300.

Before the scouts could get around to take the papers and magazines away, someone who apparently saw publicity about the project furthered his own interests by helping himself.

Object of the campaign was to provide a guide dog for a blind veteran. The sponsoring Lions Club expressed a hope that the loss did not materially handicap the boys in their ultimate goal.

Glorietta Job to Gallagher & Burk

Contract for reconstruction work on Glorietta Boulevard was awarded by the Board of Supervisors Monday to the firm of Gallagher and Burk, Oakland, on its low bid of \$19,721.

The job is to extend to a point 360 feet north of the center line of Robert Road in the Moraga Meadows area.

Nursery School Has Graduation, Too; New Kindergarteners Receive Diplomas

In trend with the times, this was "graduation" week at Orinda Nursery School.

On Wednesday the approximately 70 youngsters who will be ready for regular school kindergarten next fall received diplomas in ceremonies at the nursery school at Orinda Community Church.

Of course, there wasn't too much formality about it all. In addition to the presentation of diplomas by Mrs. W. A. Patterson, head teacher, and her two assistants, Mrs. Richard Laney and Mrs. Henry Harris, there was a picnic lunch.

THE YOUNGSTERS who "graduated" are in the 3½ to 5-year-old age group, who have been attending on Mondays, Wednesdays and Fridays.

During the program, Mrs. E. J. Unruh, outgoing president of the school, handed the gavel to Mrs. James Seaman, new president.

TUESDAY, THE 2½ to 3½-year-old age group held its own celebra-

Rheem Glen Map Rejected; Appeal Seen Next Move

Disapproval of the map for Rheem Glen, 13-lot subdivision at Rheem Boulevard and St. Mary's Road, was voted 7 to 2 by the County Planning Commission Tuesday night.

Commissioners John Stoffel and Arthur Young voted against disapproval.

Next round of the battle, which has been marked by conflicting geologists' reports on the slide potential of the area, appeared headed for the Board of Supervisors. Frank Draeger of Wilson and Company, engineering firm for owner D. L. Rheem, indicated an appeal would be made to the supervisors within 15 days.

Prior to the disapproval vote, Stoffel moved that the map be approved. This motion was seconded by Young. The motion lost, 7 to 2, with Stoffel and Young voting for it.

Deputy District Attorney Matt Walker stated that a motion to disapprove should be voted on, and this was done.

Chester Marliave, geologist hired by Wilson and Company, recently reported that in his opinion most of the Rheem Glen land could safely be built upon. But an earlier report by W. Dort, Stanford University geologist hired by the county, advised that a considerable portion of the land should not be built upon because of slide conditions.

Stoffel had stated that he had seen the tract and believed it was out of the slide area.

The subdivision, a half-mile northeast of St. Mary's College, has previously been called Rheem Oaks.

EMBUD Office Opens July 2nd

To serve the rapidly growing Lafayette-Orinda-Pleasant Hill-San Anap area better, East Bay Municipal Utility District will open a business office in Lafayette July 2.

Announcement of this step was made yesterday by President Louis J. Breuner of the E.B.M.U.D. Board of Directors at the Lafayette Rotary Club's weekly noon meeting at Planters Dock.

THE NEW E.B.M.U.D. office will be at 3533 Mt. Diablo Boulevard, Lafayette, in quarters which have been used for the past few months as office space by Philip Gustafson, special representative of the utility district in this area.

Gustafson, who was assigned as special representative in this area the first of the year, has been appointed manager of the new area business office.

ACCORDING TO BREUNER, the new office will be a full-fledged business office, where customers can pay bills and where requests and complaints regarding service can be made. Hours will be 8 a.m. to 5 p.m. Monday through Friday. Phone number is Lafayette 4466.

Assembly O.K.'s 'Urban' Tax Bill; Condon Votes 'No'

Assembly approval of the controversial A.B. 3217, the "urban unincorporated areas" measure which would mean that communities like Lafayette and Orinda would have to pay extra taxes for certain essential county services, was voted Tuesday afternoon, 46 to 14.

Assemblyman Robert L. Condon voted against the bill.

Next step apparently will be the battle in the State Senate, where a companion measure, S.B. 769, has been under consideration.

Opposition to the proposal has been expressed by the Lafayette Improvement Association, Lafayette Chamber of Commerce, Orinda Association, County Board of Supervisors and the County Supervisors Association of California. Main support has been from the league of California Cities.

Boys, Parents Enjoy Cub Field Day; Champs, Pack 52, Lose to All-Stars

With a large crowd of rooters, including parents, friends and small brothers and sisters, the Cub Scouts of Diablo District met for their Annual Picnic and Field Day at Acalanes High School last Saturday, with an all-star baseball game as the important event of the day.

The day's program was opened on the school athletic field with a presentation of colors by representatives of each cub pack. Immediately following this, the baseball game between the Diablo District Cub Scout champions, Pack 52 of Orinda, and the All-Stars of the Diablo District was played. The All-Star team was composed of two boys from each of the other cub packs in this district.

THE ALL-STARS WON, but Pack 52 remains undisputed champion of the Cub league. In league play, it defeated every team in the area.

The All-Stars took an early lead, 2-0. Then the champs, resplendent in their red jerseys, took command with a 4-3 lead, only to have the determined All-Stars tie it up at 4-4.

In the next to the last inning the All-Star team shot ahead to an 8-4 count, and held their lead through to the end of the game.

A play-by-play report was given over a loud speaker system by Jo Shockey, past Diablo District chairman, while C. Wood, cubmaster of Pack 6 of Walnut Creek, served as umpire. Coaches of the teams included Bill Houston of Orinda for Pack 52 and Harvey Lo Sasso and Jack Tait of Walnut Creek and O. Hollinger of Ygnacio Valley for the All-Stars.

After the baseball game a picnic lunch was enjoyed by all those present. To start off the afternoon festivities, a presentation of the Diablo District Baseball Trophy was made to the district's new baseball champions, Pack 52, by Al Jordan of Pack 58.

DURING THE AFTERNOON games and races were enjoyed by all the cubs and ribbons were presented to winners of the races. After these contests were over the picnicers (cubs and parents) enjoyed a swim in the Acalanes pool. Miss Valerie and Brooks De Laneux, with several assistants, served as life guards.

Diablo District which includes packs from Orinda, Lafayette, Sun Valley, Walnut Creek, Pleasant Hill, Ygnacio Valley, Danville, Alamo and Moraga, participated in this annual Picnic and Field Day under the direction of Bill Sweetland, Diablo District field commissioner.

THE BOYS WHO PLAYED in the baseball game on the team of the All-Stars included Drummond and Hopkins of Pack 6, Walnut Creek; Bailey and Boyd of Pack 32, Orinda; Benson and Lonsday of Pack 36, Danville; Landes and Shurtliff of Pack 38, Lafayette; Foreman and Sweetland of Pack 43, Walnut Creek; Brandes and Locatelli of Pack 45, Pleasant Hill; Hollinger and Padelford of Pack 46, Ygnacio Valley; Jones and Loeb of Pack 53, Alamo; Hammond and Seeds of Pack 57, Moraga; Bowers and Nylander of Pack 58, Pleasant Hill, and Dodge and Tait of Pack 59, Walnut Creek.

Members of the champion team, Pack 52, include Charles Schrader, Steve DeMaria, Bob Anthonisen, Bill Houston, Floyd Blaney, Ronnie Brown, Wendell Williams, Randy Scott, Bob Ready, Tim Carter, Bill Thurlow, David Puddy, Bob Hudson, Ken Sharin, Bob Ellermeyer, Alan Dahlstrand, Phillip Nuffer, Thomas Mica, Don Minor, Fred Morris, Bill McGuire, Richard Moore, Jud Carter, Jack Stevens, Peter Stocker, "Butch" Guarneri, Peter Read, Bob Connolly, Vincent Sherin, Charles McQuiddi, Mike Hallor and Jack Doty.

USE SAME BODY OIL

Don't use a heavier oil on the touring trip, advises the National Automobile Club. It does not mean reduced oil consumption, but rather, under ordinary conditions, increased oil consumption. Moreover, a heavy oil tends to cut down the gasoline mileage yield.

Strange' People Sought in Ads!

What are our "want ads" coming to? Today a "murderer" is sought in them, a couple of weeks ago a safecracker was asked for.

In this issue's classified ads appears: "Wanted—Murderer. Night work, short hours, high pay."

But don't be alarmed. The Trojan Exterminating Company of Lafayette wants a good, experienced exterminator, and knows our classifieds reach a wide audience.

Similarly with the service station owned who recently advertised for a safecracker. It was perfectly legal. He had some money in the safe but didn't know the combination.

The many responses that ad evoked were proof of the effectiveness of our classified ads.

James Turre Gets His M.D. Degree

Among 452 students receiving degrees at commencement exercises at Creighton University in Omaha, Neb., May 31, was James B. Turre of 3940 South Peardale Drive.

Turre, son of Ernest J. Turre, received a doctor of medicine degree.

While at Creighton, Turre has been a member of Phi Rho Sigma medical fraternity and Alpha Sigma Nu national Jesuit honor society. Before coming to Creighton, Turre attended St. Mary's College and the University of California.

In Piano Recital

A group of local young people who are students of the piano appeared in a recital at the Chapel of the Chimes in Oakland Monday evening.

Among the boys and girls who appeared under the direction of their teacher, Mrs. Myrna Wecker, were Mary Walsh, Michael Anderson, Marlee Calderon, Charles Schorr and Rae Johnson.

Free Tennis Lessons by La Croix Start at Acalanes Courts June 28

Free tennis lessons under the direction of a nationally known expert will start at Acalanes courts June 28.

Already in effect at Walnut Creek City Park every Tuesday morning from 9 to noon, Clove La Croix's program will be extended to the Lafayette-Orinda area when it is brought to the high school field.

SEVERAL WEEKS AGO Mrs. Spencer Lehmann of Moraga Boulevard, Lafayette, read about La Croix's remarkable and public-spirited program in Reader's Digest. She promptly wrote to him, asking him if the idea couldn't be made an actuality here.

The answer she received was that it could and would.

STARTING ON THE 28TH, free tennis lessons will be given to all comers every Thursday during the summer, from 2 to 6 p.m. Racquets and balls will be furnished free. In Walnut Creek, the Tuesday morning sessions have been in progress for some weeks.

Yes, there's no catch to it all. How come?

Well, Clove La Croix, who was Oakland, Berkeley and Bay Counties singles champion from 1928 to 1932, and who won several mixed doubles titles with Helen Willis Moody and Helen Jacobs, got a stomachful of shrapnel in 1945 while serving as a cruiser officer in the South Pacific. He was told by the doctor who operated on him that he could thank his tennis years for pulling him through.

LA CROIX WANTED to say thanks properly. And he decided that the best way was to teach kids — and adults, too — how to play tennis.

He was a salesman for Carnation Milk Company of Oakland at the time he got this idea. In his spare time he organized tennis classes at playgrounds in Alameda, his home town.

Then the recreation departments of Oakland, Berkeley and neighboring towns asked him to do the same for them. But he didn't have the time. So he approached Carnation

with the idea that tennis was good business for them — he had 40 new orders (unsolicited) for milk, from parents of youngsters he was teaching.

THE FIRM LET HIM take two afternoons a week off. The tennis-lesson ideal, though, kept spreading, and time again became something super-precious.

Finally, in May, 1948, La Croix was made director of athletics for Carnation Milk Company, and was told to go right ahead with his tennis-teaching.

Since then the "La Croix-Carnation tennis clinic" has continued to grow. Over 35,000 children and some 7,000 adults have been taught tennis by La Croix and his assistants.

Among those who have benefited are armless veterans at Mare Island Naval Hospital. La Croix designed a two-inch metal arm that is fastened to the racquet and screwed into the artificial arm.

HIS MAIN IDEA IS to eliminate "idle hours" for boys and girls during the summer, and to give them healthful activity.

"A town that's studded with tennis courts is pretty sure to be a healthy, happy place to live," La Croix says.

Unlike some of the towns where the tennis clinic has been so success-

Broil with no kitchen smoke

...in your modern Gas range

When you broil in your modern automatic Gas range, the clean blue Gas flame consumes grease spatters and smoke—with the broiler door closed. Since these vapors are consumed, there's no smoke to drift through the house or settle on kitchen walls and curtains. Whether you're broiling steaks, chops, fowl or fish, the efficient Gas flame has a fast searing action which seals in all the natural juices and flavors... Only in your modern Gas range can you enjoy true char-type broiling—that's smokeless.

For baking or roasting, your modern automatic Gas range provides oven ventilation with continuous air circulation that results in more uniform rising and browning.

Straw Hat Show Opens Wednesday

Strawhatters are busy people these days, what with the opening of "How Can You Miss?", their new revue, scheduled to open next Wednesday night at Lafayette Town Hall.

Anyone passing the combined office and rehearsal hall of the Straw Hat Theater, Inc., at 2571 Shattuck Avenue, Berkeley, these days, is likely to hear a great deal of music over which rises a feminine voice shouting, "One, two, three, TURN!"

The voice is that of Jeanne Taylor Herst, new Straw Hat dance director. She has studied with Adolph Bolm, Mme. Nijinska and Serge Oukrinsky in Hollywood, and later with Mme. Egorova in Paris. She has performed in "Hellzapoppin'" and in the "Merry Widow," and is one of the few skaters who can dance on ice, having starred in Paris in an ice ballet at Chamonix and at the Palais du Sport and the Palais du Glace.

In "How Can You Miss?" Mrs. Herst is staging 12 song numbers, ranging from the gay title-song opener to the satirical musical comedy finale of "The Wedding Belle."

Jail Catches Up With Romantic Marine; Bad Checks and Wedding Plans a Dream

The romantic yearnings of Marine Pfc. Alfred O. Mutchler, 25, has finally landed him behind bars in the Contra Costa County jail at Martinez.

Private Mutchler is the fast-talking Marine who parlayed his empty bankroll into a custom-built 1951 Buick sedan, \$500 diamond ring, fashionable wardrobe and plans for a wedding with Jacqueline Harkness, 18-year-old Happy Valley girl. Jacqueline left Reno when he took back the ring he gave her saying he lost his wallet and had to pawn it temporarily.

Then David B. McCoy, Walnut Creek auto dealer, started looking

for Private Mutchler. His \$3000 check for the fashionable car he bought seemed to be no good.

Police caught up with Mutchler at Sacramento this week and brought him before Justice of the Peace Clifford Thomson in Walnut Creek. Judge Thomson held him to answer to Superior Court on the bad check charges. He lingers there under \$2500 bail.

He has a wife and three children in Langdon, North Dakota.

Action Urged to Eliminate Hazard At Charles Hill Rd. Intersection

"The extremely hazardous condition" at Charles Hill Road and Mt. Diablo Boulevard is stressed by the Monte Vista Improvement Association in its request that the Diablo Highway Improvement Federation devote "immediate attention" to the problem.

Offered by Thomas N. St. Hill, the Monte Vista group's memorandum was one of a number submitted at the federation's final membership meeting of the season June 5, for the guidance of the federation board during the summer. The meeting was held at Lafayette Town Hall.

"THE VISION AT THIS intersection is very restricted on both sides due to the curve in the highway at this point," the complaint states.

"Cars travel at unusually high speeds as they come over the crest of Charles Hill.

"MANY ACCIDENTS, some of which have been fatal, have occurred when cars are obliged to stop in the inside lane of the highway to make a left-hand turn into Charles Hill Road. Similar difficulties are encountered in making a left-hand turn into the highway from Charles Hill Road."

The report admits that "traffic in and out of the private road opposite Charles Hill Road is more limited" but declares that "the hazards are just as great and in some respects the conditions are even more dangerous."

"MANY PEDESTRIANS, including school children, are obliged to cross the highway at this intersection, which is a stopping point for interurban and school buses," the Monte Vista Association points out.

"Not only does the pedestrian risk his life in crossing the highway, but automobiles that stop to let a pedestrian pass run the risk

of being rammed by following cars.

"This intersection should be placed high on the list of those requiring immediate attention."

IN SUBMITTING HIS memorandum, St. Hill recalled that at a meeting of Highway Federation directors as reported several months ago in the SUN, District Engineer I. A. Weymouth of the State Division of Highways had indicated an encouraging attitude toward early construction of a turnout lane onto Charles Hill Road for east-bound traffic.

Left-hand turnouts from Mt. Diablo Boulevard to Upper Happy Valley Road and to Acalanes Road were also recommended by the

Eight Graduate In Canyon Rites

Canyon Redwood Inn was the setting for the annual graduation program of Canyon School Wednesday night. Eight eighth graders — six boys and two girls — received diplomas.

Richard Bierman, Bill Blaskovich, Joe Hobbs, Donna Lonergan, Bonnie Miller, Bruce O'Neil, Douglas O'Neil and Richard Vahl are the Class of 1951.

They were presented with their diplomas by Mrs. Robert O'Neil, mother of graduating twins Bruce and Douglas. Mrs. O'Neil delivered the graduation address.

Bill Blaskovich gave the welcoming address. The school play, "Gentlemen in the Making," was performed by the graduates and some of the sixth and seventh graders. A piano duet was played by the O'Neil boys. Richard Bierman sang "She's Never Been Kissed," and Robert Erikson, a seventh grader, sang "If."

Reading of the class will and class prophecy and singing of the class song by the graduates rounded out the program.

The three teachers — Principal Mrs. G. Wilkinson, Mrs. LaVon Zemke and Mrs. Jacqueline Frey — were present.

Pilots, Plane Owners In Dinner-Meet Here

The men who take to the air will converge on Walnut Creek tomorrow night for a 6:30 p.m. dinner meeting of the Aircraft Owners and Pilots Association at the Las Palmas Hotel.

Speaker for the occasion will be Elmer Schlesinger, president of the Helicopter Service of California. He will illustrate his talk with a movie.

The group held their annual barbecue last Saturday at Buchanan Field.

federation board at that time, as was extension of the east-bound left-lane at Pleasant Hill Road for faster distribution of peak-hour traffic.

Weymouth promised serious consideration by the Highways Division of all these suggestions.

J.C. Graduation Program Tonight

General David Prescott Barrows, former president of the University of California and recently returned from a three-month trip to Europe and the Mediterranean, will be the speaker at the first joint Commencement exercises of the Contra Costa Junior College District tonight at 8 at the Richmond Memorial Auditorium.

Climaxing the first complete year of operation of the junior college district, 46 graduates from East Contra Costa Junior College, Martinez, and West Contra Costa Junior College, Richmond, will receive the Associate in Arts degree at the graduation.

Among West Campus graduates is Warren Everson of Lafayette.

Todd Nies and Wife Leave for Sacramento

Mr. and Mrs. Todd Nies left for Sacramento June 6. Mr. Nies and his brother have taken over ownership of the Specht Hardware store on H Street, Sacramento.

Todd is well-known locally. He has been a member of Lafayette Rotary and co-owner of Diamond K, lately having been associated with Lafayette Furniture.

Both he and Mrs. Nies, who assisted in the Girl Scout program, were active in many community affairs.

THERE IS NO finer way of setting off a patio or back yard than with a grapestake fence. A grapestake fence puts that "finished touch" mark upon our California Ranch type house.

Many people have been led to believe that the cost of grapestakes are prohibitive, but when taking the fence in an overall picture the cost per foot does not run any more than any other type of fence.

As a matter of fact, a 6' grapestake fence complete with stringers, fence posts, nails, etc. should not run more than \$1.05 per foot. Diamond K is able to supply you with stakes, 2x4 rough redwood stringers and 4x4 rough redwood posts; in fact, everything to build the complete fence.

GRAPESTAKES are now available in lengths of four, five, six, seven and eight feet. These are the finest stakes we have had in quite some time and all of them are straight grained and practically all splittable.

DIAMOND K once again is able to supply you with used railroad ties. These are absolutely the finest ties we have ever had. These ties are all pressure creosoted and solid as a dollar. Come in and look them over.

Camera Club Sees Demonstration of Stereo Photography

The Contra Costa Camera Club met Tuesday evening at the Orinda Community Church for a meeting which featured a demonstration of stereo photography by Rus Dyer of Walnut Creek, who represents the David White Company. He is a member of the Hollywood Stereo Club.

Refreshments were served to members and the guests who had received written invitations because of their known interest in taking stereo pictures.

The C.C.C.C.'s regular monthly competition will be held June 26 at the Orinda Community Church.

Meeting of 'Y's Men' Next Thursday Night

"Trailer Camping" will be the subject of an illustrated talk by George Shoptaugh at a meeting of the Y's Men's Club of Contra Costa County next Thursday evening.

The group will meet at 6:30 for dinner at Klee's restaurant in Lafayette. Chairman will be Wilbur Jacoby.

Another speaker will be Dave Comstock, artist, according to Harold Queen, temporary chairman of the Y's Men's Group.

Assisting Queen in arrangements for the meeting are Odrian Dunn, Bay Area district governor of Y's Men's Clubs International; Fred W. Elkinton, past district governor, and Bernard Wilber, extension chairman of the Berkeley Y's Men's Club.

El Rancho Realty Co. Under New Ownership

Purchase of El Rancho Realty Company, 3683 Mt. Diablo Boulevard, Lafayette, has been announced by the new owners, H. J. "Sandy" Rowan and A. B. "Andy" Anderson.

They bought the firm from W. H. Miner, effective June 1.

Both have had long real estate experience. Rowan was formerly connected with Clyde Sweet's Orinda and Walnut Creek offices and recently was with Fred T. Wood in Orinda. Anderson was formerly with Fred T. Wood and Massie and Underwood in Orinda.

Your Garden

Cheer Up! Next Month You'll Be Able to Relax a Bit; Flowers Will Be Blooming

By BERT WRIGHT

LOOKING AHEAD A BIT . . . July will bring a definite slackening in the pace of the garden—but in work alone, not in color.

Blooms will be abundant. Gladioli, chiffon daisies, snapdragons, zinnias and marigolds will all be vying for top honors.

It will be time to plant and divide bearded iris, the sooner the better, so they'll have time to get established before their next blooming season.

CALIFORNIANS, SHOULD follow the example of Northwest gardeners—plant more of the tiny, early flowering dwarfs. Many fine introductions of recent years have come down to prices that everyone can afford.

There are some fine Fall flowering sorts. Plant them shallowly, hardly covering the rhizome. For Contra Costa soils, add peat moss and aluminum sulphate when planting to help acidify the soil.

SUMMER'S MAIN JOB is watering.

Work out a schedule that suits your soil and stick to it. Alternate periods of wilting and plenty of water make good bloom almost impossible.

Cultivate and use a mulch so the soil won't dry out quickly. To see if the water is soaking into the ground deep enough, push an iron rod down into the soil after irrigating. It'll stop short when it hits dry soil.

GIVE ZINNIAS plenty of room. Wide spacing, deep irrigation and cultivation until the foliage shades the ground is necessary for the best results.

The answer will be three-foot, well-branched plants that bloom for months.

NATIVE SHRUBS: Drought resistant native shrubs need some regular watering the first year they are set out. Mature ones will stand watering, too, if it's regular and the ground doesn't get soggy.

Do you realize how much it costs when you go through the Tunnel to shop?

What makes fremontias, ceanothus and others die overnight is letting them dry till they wilt, then drenching roots with a lot of cold water in the middle of a hot day.

If they dry out, water lightly in the early morning. But water things carefully after moving, and shade the tops if the roots have been disturbed.

IF YOU'RE A MICHAELMAS Daisy enthusiast, by all means get Wonder of Stafa (Aster Frikarti) if you haven't already.

The bloom season lasts as much as eight months, and the flowers are larger than those of other hardy asters.

SOW PERENNIALS in flats in the shade next month. If you can't tend to watering, then better not plant them until Fall.

Sowing in July will give more advanced winter-hardy plants. Also sow seed of foxgloves, Canterbury bells, wallflowers, calendula, Sweet Williams and others.

WISTERIAS SHOULD be pruned severely if they are to bloom well. Prune laterals back to one or two joints to develop bloom spurs close to the main branch. In some cases, second prunings are permissible.

Flowering plums, crabapples and flowering peaches should be pruned

Fire Results in Hot-Wet TV Sets

There was more than a "gag" to the sign outside The Appliance Center Monday—"Our TV Sets Are Red Hot."

The sets really had been hot, before they became water-soaked.

Early last Friday evening an electrical fire started from a plugged-in television set. The automatic sprinklers quickly put the fire out, so when the fire department arrived its main work was helping clean up the mess. Chief Shirley Peakes and four of his men helped wipe and dry the TV sets and generally cleaned up the place as best they could.

Mr. and Mrs. Fred Knobel and their three sons, who live near the store, also assisted, performing mopping-up operations with heavy towels for a few hours.

"They all did a wonderful job," the fire department and the Knobels, owner Matt Connelly said. "I want to thank them all, publicly."

Connelly estimated damage at about \$5,000; some 20 TV sets were put "out of commission," he said. Water also ran into the basement and damaged appliance test meters and other appliances.

"It would have been worse," Chief Peakes commented, "if the men at The Appliance Center hadn't had presence of mind enough to turn the sprinkler off promptly."

Summer Schedule Starts Sunday at Community church

An earlier hour and simplified service are on the summer schedule of Orinda Community Church beginning this Sunday when the church worship and Sunday School sessions will be held simultaneously at 10 a. m.

Separate departments for boy and girls up to and including the sixth grade will be held, and those older are expected to join with their parents and other adults in the chapel.

Sunday Mrs. Margaret Popovich will lead the choir in music included in the service, and Dorothy Turk will be at the memorial organ. Rev. Fred Morrow will speak on "The Nourishment of the Soul," a partial review of a new little book by Nels F. S. Ferre, "Strengthening the Spiritual Life," published by Harper.

This is to be the Sunday with C. Ray Fowler, the church's youth assistant for the past year, who will go in August to Turkey as a missionary teacher in the boy's school at Tarsus.

"As teacher of the high school class and counselor of the Pilgrim Fellowship, as participant in the church service and aide to the minister in pastoral calling, Mr. Fowler has commended himself to all, and has done a world of good for the church and for his Master," is the testimony of the Rev. Mr. Morrow and his congregation.

Jeanne St. Hill Heads Prytanean

Jeanne St. Hill, daughter of Mr. and Mrs. Thomas N. St. Hill, 600 Tunnel Road, was recently elected president of Prytanean, women's service honorary, at the University of California.

Miss St. Hill, a junior, is a history major. She attended Acalanes High School before coming to the University, where she is affiliated with Kappa Kappa Gamma sorority.

Herrick Guild Meets At Home of Bennets

Combining business with pleasure at its June meeting last week, the Herrick Hospital Guild met for a discussion of Fall plans and a picnic lunch and swim at the home of Dr. and Mrs. A. E. Bennett in Happy Valley.

Among members at the picnic were Mrs. J. J. Abbott, Lower Happy Valley Road, Lafayette, and Mrs. E. S. Rogers, 6 Oak Drive, Orinda.

INDUSTRIAL MOBILIZATION

Golden Gate College, San Francisco, will continue its evening Industrial Mobilization program during the regular summer semester, Joseph M. Trickett, academic vice-president, has announced.

Molecule Motive Research Theme

D. D. Tunnell of 147 Las Vegas Road is attending a special conference at Ohio State University, Columbus, Ohio, dealing with spectroscopy and molecular structure.

Not content with the ultraviolet rays which abound in our Orinda sunshine, Tunnell spends his working hours as a research chemist in ultraviolet spectroscopy at Shell Development Company's laboratories in Emeryville.

At Ohio State he expects to find out more about his favorite subject—when a molecule absorbs ultraviolet at just such-and-such a wavelength, why does it do so, and what kind of molecule is it?

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians

Tanagers to Conduct Rummage Sale Tues.

A "Next-to-New" children's rummage sale will be held next Tuesday by the Tanagers, for the benefit of the Mt. Diablo Child Therapy Center.

The sale will be at the home of Mrs. Frank Brush, 301 El Toyonal, from 9 a.m. to noon.

Fred Hilmer to Head Shell Co. Department

Fred B. Hilmer, who plans to reside in Orinda, has been appointed assistant head of the Market Development Department of Shell Development Company, Emeryville.

Hilmer started at Emeryville as a research chemist in 1934 and transferred to Shell Development's New York office in 1945 as a technical representative.

Bishop Block Visits Orinda

Orinda was honored Wednesday by a visit from the Rt. Rev. Karl Morgan Block, Episcopal bishop for California, who met with representatives of the local Bishop's Committee to discuss the purchase of property.

He was most enthusiastic about the possibilities in Orinda, and anxious that St. Stephen's start to build their new church in the near future. The morning's business was followed by luncheon at the Orinda Country Club.

ON MONDAY NIGHT the choir held its final meeting of the season. From samples presented, new choir robes and caps were selected, so that when the choir convenes again in the Fall it will be in their new vestments.

Hopes for a new organ in the near future seem about to be realized, and the group is looking forward to next Fall's program with great expectancy.

A pleasant evening was enjoyed by the 24 in attendance, culminating with the serving of pie a-la-mode and coffee. The gathering was at the home of Mr. and Mrs. Robert Moorehead on Via Floreado.

THE ALTAR GUILD MET Tuesday at the home of Mrs. H. W. Pillsbury on Camino Don Miguel, where plans for the summer were formulated to include a series of informal afternoons to provide pleasure for this hard-working group.

A large delegation is scheduled to attend the Diocesan Women's Auxiliary meeting in Walnut Creek today. Delegates from St. Stephen's are Mesdames Ida Zamloch, H. W. Pillsbury, George Over, William C. Hagens, T. E. Haley and William A. Sparling.

THE MEETING WILL START with Holy Communion at 11 a.m., and a very interesting program will follow, including a panel discussion on "What Is the World Doing to Our Young People?"

Rev. Frederick A. Schilling, vicar of St. Stephen's, this week again called attention to the new schedule of services for the summer months—devotional service at 9:30 a.m. Sunday, with all other services discontinued.

Sorority Meets At Bennett Home

Zeta Tau Alpha alumnae met yesterday morning for a picnic lunch at the Camino Sobrante home of Mrs. George E. Bennett. The members of the Eastbay afternoon section will meet to make final reports and elect officers for the new year.

Chit and Chat about Don and Donna

By MARY THIES

GEE—THEY MADE IT! By this I mean the seniors who by this time are seniors no longer.

During the last few weeks there have been many graduation activities, including baccalaureate services, graduation, Senior Ball and the Awards Assembly. Many Orinda kids received awards, and the following are just a few of the special ones.

The Daughters of the American Revolution awarded their good citizenship award to Chrissie Inman-Kane. Chrissie was also chosen Student of the Year by the staff of the Acalanes Blueprint.

Many art awards were received—the Poppy Poster award by Bonnie Traskowski, and Socialistic Arts award by Peggy Gray and Jim King.

The C.S.F. (California Scholarship Federation) awarded prizes to Janet Chantler, Don Cvietusa, Jim Hall, Ted Sanford and Bob Wikman.

The Harvard Prize Book was awarded to Art Siler. Bank of America gold cups were presented to Joie Pearson and Janet Chantler.

Don Cvietusa, 1950-51 student body president, received the Acalanes Citizenship Trophy.

WITH SUMMER just about here, many swimming parties and hayrides are being planned.

One hayride has on its guest list Jim Laird, Jeannie Marret, Joan Carroll, Joan McAdams, Kay Barts, Richard Brown, Dick Doty and Sharon Cavanaugh.

LAST NIGHT the Daphne Branch of the Children's Hospital of the East Bay gave a dance at the Brazilian Room in Tilden Park with the theme set as "Starlight Waltz." I will try to get a few of the names of the many couples who attended for my next column.

All the girls in the group are from Acalanes. Joan Gordon, Kay Goodwin, Paula Cory and Robin Hooper are among the members from Orinda.

JOURNALISM STUDENTS from Acalanes are becoming famous. Recently Nancy Garoutte Forbes, once a journalism student at Acalanes, during which time she wrote for the Berkeley Gazette, became a reporter for Life magazine. She is in the educational department.

AT A RECENT LUNCH at El Nido in honor of Chrissie Inman-Kane were the following Orinda girls: Dodie Bee, Janet Jansse, Janet Chantler, Judy Woolsey and Carola Courtright.

I want again to urge you to let me know of any news during the summer. You can reach me by calling Moraga 8887.

Christian Science Sermon for Sunday

The Christian Science Lesson-Sermon for Sunday, June 17, will be comprised of citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following:

Isaiah 65:24, 25: "And it shall come to pass, that before they call, I will answer; and while they are yet speaking, I will hear. The wolf and the lamb shall feed together, and the lion shall eat straw like the bullock; and dust shall be the serpent's meat. They shall not hurt nor destroy in all my holy mountain, saith the Lord."

Science and Health: "The relations of God and man, divine Principle and idea, are indestructible in Science; and Science knows no lapse from nor return to harmony, but holds the divine order, or spiritual law, in which God and all that He creates are perfect and eternal, and have remained unchanged in its eternal history" (p. 470).

The complete sermon will be read in all Churches of Christ Scientist, and will have for its subject "God the Preserver of Man."

Wednesday—8 P.M.
Reading Room—Wed. 12-3

STUDENT OF THE YEAR — Chrissie Inman-Kane was chosen for that honor by Acalanes Blueprint, student publication. Chrissie, who graduates Sunday, has maintained a superior scholastic average and has been prominent in student activities. She has been Girls' League president this year, has sung with the Harmonettes and has danced with the Modern Dance Group. Chrissie has been given a D.A.R. award and an American Legion award for being an outstanding student. She plans to enter Whitworth College in Seattle next Fall.

Guest of Kennedys

Captain and Mrs. M. G. Kennedy, 59 Lost Valley Drive, had as their guest last week Mrs. Christine Crockett of Scotio. Mrs. Crockett is Captain Kennedy's aunt.

I'm Frank ...

and (Ah! Choo!) (Sniffle)—some dreamy soul once said, "The oldest voice in the world is the wind."

When it murmurs in summer's leaves, it seems an idle trifle. When in the night it goes wandering buy, setting the old house faintly to groaning, it sounds like a pilgrim that has lost the road. When you see it fitfully turning the blades of a mill lazily to draw water, you think of it as an unreliable servant of man. But in truth it is one of our masters, obedient only to the lord sun and the whirling of the great globe itself.

Now that guy has never been to Orinda when the wind blows, and he never had hay fever or he wouldn't have been so poetic about the wind. I've had more people come in and sniffle and sneeze with me this spring than ever before.

If I were a poet (and I'm not, so don't worry, I won't make the column any worse than it is) I'd write a poem about the wind and the hay fever it brings, and Walter Boysen, Al Meggs and Laura Cooper would help me out. Ah! Choo!

DR. JENSEN DROPPED in to our fishing department the other day, and the feel of that glass spinning rod with the Airex reel was too much for him. He had to buy it and try casting on his lawn before taking it on his vacation.

If you have never fished with a spinning reel, you have a great thrill in fishing yet to come to you. Casting becomes so easy with an Airex reel and rod that anyone fishing for the first time has no trouble at all in catching fish with a spinner or flatfish.

Each year we have tried to make our fishing department more complete and now I think we have a great deal to offer in the way of steel, bamboo and glass fly rods, bait casting rods and surf rods; also a good stock of reel, flies, lines, creels, hooks, leaders, lures, plugs,

Lions Preparing Joint Installing With Lafayette

Orinda Lions, as the host club, are busy preparing for the joint installation of officers to be held in conjunction with Lafayette Lions at Orinda Willows Monday night.

Jack Thies is general chairman of the event, which is slated to be a "Ladies' Night." Assisting on program planning are Roy Nason, George Hartzell, Sr., and Joe Navone.

Tommy Neilsen, past international director of Lions, will be installing officer for the double-occasion.

Since the number of reservations available is somewhat limited, members are requested to make theirs with committee members at once.

Mrs. Donald McNary Will Be Bridesmaid

Mrs. Donald McNary will be a bridesmaid, along with Mrs. Orville Augustine of La Crescenta, at the wedding tomorrow of Joan Arnold and Robert Eugene Wunderlich. The marriage rites will be read in the chapel of the First Congregational Church, Berkeley.

Joan, a Delta Delta Delta and graduate of the University of California, has asked her sister, Joyce Arnold, to be her maid of honor. James Burgess of Oklahoma will be best man for the groom, and Rodney Roche, William Wunderlich and John Huber will be ushers.

The wedding reception will be held at the Delta Delta Delta sorority house in Berkeley.

flatfish and, oh, yes, you can get your fishing license at Orinda Hardware also.

I like to fish myself, but I'm kind of a bum fisherman, and I'm afraid I don't know too much about fishing gear. So, if you are shopping in our fishing department, and you think of some particular type of fishing gadget we don't have, well, just let me know and I'll get it for you.

DROPPED IN TO our new Chevron gas station operated by Ned deLaveaga and got the best service that poor old truck of mine has seen in many a mile. Ned is an old time resident of Orinda, having lived here since he was two years old, so I guess he knows Orinda pretty well, and how to take care of its residents.

At last we will be able to get our cars washed in Orinda, and Ned tells me he will have a pick-up and delivery service too. Well, all the luck in the world, Ned. Orinda welcomes anyone with service as their motto.

WE HAD SOME special items on our counter last week, and quickly ran out of two items, which disappointed a few late comers.

One item was a very fine silver-plated teaspoon which regularly sells for 49c and was marked down to 11c, and the other was a heavy kitchen knife worth about \$1.50 marked down to only 35c.

Both the items were sold below cost only because the wholesaler was discontinuing the line. If anyone is still interested, we will have more of both items and they both will be in the same place on the counter.

Ah! Choo! Sniffle! Oh, that wind!

Coast Counties Review Given For Employees

All employees of Coast Counties Gas and Electric Company were given the opportunity recently to review the 1950 operations of the company, according to G. H. Conner, district manager, who conducted a meeting for local employees in Lafayette.

Following the company's practice started in 1948, a sound-slide film prepared for the purpose was shown at various points in the area, after which questions were invited. Unique this year was the addition of a brief review of major developments over the past 15 years and a preview of some of the company's plans for 1951.

New 'Blueprint' Staff Announced

Staff appointment for the coming year, 1951-52, on the Acalanes school paper "The Blueprint" were announced this week.

Appointed to head the paper next year are Associate Editors Linda Meade and Mary Thies, Business Manager Howard Flanders, Managing Editor Pat Malvey, Associate News Editors Rosemary Sarge and Joan Allen, Sports Editor Stan Pedder, Advertising Manager Don Kun, Feature Editor Pat Miles and Photographers Ned Davis, Ed Neighbor and Milt Brown.

The "Blueprint" is printed semi-monthly.

Don Stevenson At Fort Bliss

Don Stevenson, son of Mrs. Marge Knappenberger of Lafayette, is at Fort Bliss, Texas, with the 40th Division of the National Guard, in a Radar Unit from San Francisco.

Just before the "outfit" left for camp two weeks ago, Don was promoted to sergeant. Mrs. Stevenson is at her home in Concord.

Will you be killed tomorrow? Drive very carefully.

Here We Go Again--School's Just Out, Mr. Football Edges Toward Limelight

By ERWIN MATTSON

NO SOONER THAN THE SCHOOL YEAR closed than the minds of many turn to football — even though the starting practice time is several months away.

Practice as such starts September 1, although physical examinations and issuing of equipment will come earlier.

One hundred and sixty-five have indicated that they intend to make a bid for the Varsity and Junior Varsity squads, and it is hoped that two top-flight squads will come out of the large turnout.

Last year's gear has been cleaned, sterilized, repaired and returned, ready to go for the 1951 season.

New gear has been ordered. Not the least important item is 35 pair of nylon pants, plus an equal number of plastic headgears to be used by the Varsity.

Equipment at Acalanes has always been of the best from the point of safety and appearance.

COACHES OF ALL sports have given a brief review of the 1950-51 sports season and also outlined the 1951-52 prospects.

1950-51 was a very successful year, but from as appearance the approaching year could be the best yet, with all teams loaded with plenty of juniors, sophomores and freshmen of better than average ability.

The incoming freshman class at Walnut Creek appears to have more than its share of good athletes, which will give Las Lomas a good start.

Athletics will be on a minor basis, as there will be only a freshman class, but as time rolls on and the school grows in student body size and athletic facilities, the Acalanes school area will have two top schools representing it.

WINDY AND COLD weather has kept many baseball fans from seeing their usual quota of games.

Let's hope that the weather man sees fit to return the elements to normal in the near future.

The American Legion posts of the Bay Area are sponsoring a game in the not too distant future, with the Oaks meeting up with a Coast League opponent.

A substantial part of the gate receipts will go to support American Legion baseball, which, despite higher costs of operation, is carrying on a bigger program than ever.

An example of this is the fact that in previous seasons the Contra Costa League has played one game a week and but one round. This year it's two games a week and twice around.

League competition is more even than it has ever been. In the past Richmond has had things pretty much its own way but this year they are finding the going a bit rougher and the eventual winner very much in doubt.

Homes, Service Station Get OK

Building permits issued for Orinda area during the two weeks ending June 1 included 11 residences and garages, a new Associated Service Station, a single garage and a residence addition.

The Tide Water Associated Oil Company, San Francisco office, was granted a permit for a \$4,620 station on the southwest corner of Mt. Diablo Boulevard and Moraga Highway at the Crossroads.

Residence and garage o.k.'s were as follows for the week ending June 1:

Owner and Builder R. D. Hurst, Oakland, portion Lot 12 Parkway Court, Sally Ann Meadows; estimated cost, \$10,368.

Owner L. Brewer, Oakland, Vista Del Orinda Road and El Toyonal, Orinda De La Vega; Builder Vicery and Phillips, Berkeley; estimated cost, \$7,758.

Owner and Builder C. H. McEntyre, Oakland, Lot 37 Meadow Lane and Meadow Court, Moraga Meadows; estimated cost, \$10,860.

Owner Hampton, Lot 8 Block G El Toyonal and La Encinal, Orinda Park Terrace; Builder J. M. Evans, Berkeley; estimated cost, \$7,932.

Owner and Builder A. Winans, Orinda, Lot 64 Tarry Lane, Sleepy Hollow; estimated cost, \$9,894.

Owner and Builder F. L. Zorzie, Orinda, Lot 2 San Pablo Dam Highway and Claremont Avenue, estimated cost, \$8,580.

Owner and Builder W. Bergman, Oakland, Lot 70 Reliez Valley Road, Hollywood Road and Withers, Brookwood Acres; estimated cost, \$9,066.

Owner and Builder W. G. Fulcher, Lafayette Lot No. 1, Moraga Highway and Orchard Court, Moraga Manor; estimated cost, \$9,498.

Owner and Builder Jay Bailey, Lafayette, portion Lot 89 La Fond Lane, Valley View Drive, Moraga Woodlands; estimated cost \$9,642.

Owner R. Babcock, Lafayette, Lot 22 Park Lane Court, Moraga Gardanes, Builder J. K. Ellsworth; estimated cost, \$8,304.

Owner R. E. Wadsworth, Orinda, Lot 122 Camino Sobrante, Las Caminto, Haciendas Del Orinda; Builder Chester Lampe, Oakland; estimated cost, \$8,580.

HAPPY FAMILY OF DON COACHES looks like this — at least from a head point of view! Left to right, the coaches are: Bob Lord, mentor of the championship Bee track squad; Erwin Mattson, football and baseball coach; Gerald W. Brown, Bee basketball and Junior Varsity baseball coach; Leland Arth, coach of Varsity basketball and championship A and B swimming teams; Charles Eaton, guiding

light of champion track and field Varsity; Alex Winchester, mentor of the Don tennis champs; Bob Stevens, shotput and discus coach for tracksters, and assistant football coach; Edward Dilling (lower right hand corner), divot director of the championship golf team.

The Happy Country Folk

By EDITH BOLMAN

THE WEATHER AGAIN — Our favorite topic of conversation.

The howls and shrieks of the recent gale caused the members of the Women's Guild of Orinda Community Church an exceedingly nervous Monday last, because of the beautiful party they had planned in the Woodburn Lambs' patio and gardens.

The entertainment being a fashion show of antique costumes, they could envision bustles and bonnets blowing merrily all over the place and ruining their well laid plans.

But no — the storm proved to be sympathetic and ceased firing on Tuesday between 12 and 4, so that the church benefit could proceed. And it all turned out to be a picturesque and historically interesting affair.

THE COSTUMES RANGED from court dresses of Victoria's time to one from the Lincoln election era — complete with a Lincoln-Johnson election badge.

One of considerable interest was an evening coat of Venetian-type lace which cost \$1,000 in 1890 — which to our way of calculating, without any inflation and the dollar being something else again, was quite a tidy little sum.

It all turned out to be a satisfying success due, among other things, to the weather, which incidentally, started off again at a good clip the following morning and blew down our neighbor's oak tree.

THE FINAL MEETING of the season of the Orinda Garden Club was held in the lush gardens of Mrs. Wallace Ballinger. The business meeting took place in a charmed circle of sunlight (it was a coolish morning) surrounded by magnificent shade trees.

A roaring fire in the outdoor fireplace toasted the toes of the chilly members, and the colorful summery clothes completed the picture of a typical Orinda Spring morning gathering.

The outgoing board, comprised of Mrs. William Everts, president; Mrs. William Wilson, vice-president; Mrs. W. E. Kilgo, recording secretary; Mrs. H. C. Gathings, corresponding secretary; Mrs. Dan Sheldon, treasurer and Mrs. James Anderson, historian, finished off its activities for the year.

Then an announcement was made that the entertainment would be dancing by the Kapaolani group who render authentic Hawaiian hulas. As always their dancing was thoroughly enjoyable, and the audience was particularly captivated with the two comedy numbers, "When Hilo Hattie Does the Hula Hop" and "The Missionary Square Dance."

Then the box lunches appeared and everyone was completely happy.

ANOTHER LAST of the season will be the meeting of the Orinda Branch of the Children's Hospital at the home of Mrs. Thomas Telfer.

After a business meeting and luncheon (at least one half-hour, we hope), the members will disport themselves daintily on the edge of,

or inside of, the swimming pool — just like they do every year about this time.

SCHOOL IS OUT! (No need to tell mothers about that one.) College students from far and near will be gravitating toward various local swimming pools and barbecue pits.

One who has never been here before is Elsie Martha Krey, an Alpha Phi from Washington whose mother and father, Mr. and Mrs. Norman Krey, recently of Spokane, have moved into their new home on Camino Lenada.

THE FRANK FEES have been having a busy time lately in their "Hilltop House." Sunday house guests precipitated a small cocktail and supper party and a barbecue which delighted all comers. Mrs. Montague Ward and Mr. and Mrs. John Steel (they of Los Mochis, Mexico) and daughters Kata and Agnes were the inspiration.

Then Mr. and Mrs. Thomas Fee and baby daughter Julie arrived from Texas. At one point, however, Frank Marsan and son Jackie skipped off to go fishin', and each got the limit.

MRS. DELIGHT DeLAVEAGA is home again after several months in the Hawaiian Islands, where she was visiting her son and daughter-in-law, Mr. and Mrs. Richard de Laveaga.

And so endeth the Happy Country Folk for now — Au revoir until next time.

Mrs. Needham Home

Friends of Mrs. Paul Needham of Reliez Station Road were glad to hear this week that she is now at home and well on the road to recovery after a prolonged stay in the hospital, where she underwent surgery.

4 Get Diplomas At Moraga School

Four students were graduated from Moraga School last night.

In ceremonies at the school, Jeanne Baitx, Gail Correia, Larry Warrick and Pearl Wiltse received their diplomas from Clerk John A. Sanders of the Board of Trustees. This climax of the evening was preceded by presentation of the graduating class by Principal Anna M. Thomas.

The program also included the Salute to the Flag, led by Larry Warrick; singing of "The Star Spangled Banner" by the audience; "Career Girl," a three-act play performed by the graduates and two seventh graders; an accordion solo by Rosemary Pimentel, a seventh grader; songs by the Intermediate Chorus; the graduation address by Mrs. Josephine Rea, county supervisor from Superintendent B. O. Wilson's office, and singing of "America the Beautiful" by the chorus and the audience.

Sermon Topic: Sons, Not Slaves

"A slaves fears what his master might do to him; a loving son fears what he might do to grieve a kind father. Men are intended to be sons of God, not slaves, and the only way to this sonship is through faith in Jesus Christ, the only-begotten Son of God," declares Pastor Luther Berven of Our Savior's Lutheran Church, Lafayette.

"Thus, the true Christian, the adopted son of God, fears that through his sins he may grieve God, his loving Father, not that God will punish him."

Sunday morning at 8 and 10:45, Pastor Berven will speak on the sermon topic, "Sons, Not Slaves." The Sunday school meets at 9:30 a. m.

The annual Sunday School picnic will be held on the church grounds Sunday afternoon starting at 4.

The Men's Club will meet Tuesday evening at 8.

If you love children — yours and your neighbors' — slow down when you drive home today.

Mothers Play Cards

A large group of friends gathered for an afternoon of cards last Friday at the home of Mrs. C. R. Turner on Moraga Boulevard as one of a series of benefit parties being held by members of the Mothers Club of Boy Scout Troop 204.

Following a dessert luncheon the 26 guests enjoyed bridge, whist or canasta. Hostesses included Mesdames Charles Timoney, Floyd Emery, Elwin Phelps and Turner.

A FEW MONTHS AGO THIS WAS AN OPEN FIELD

In most towns you can telephone over a wider area than ever

1. In this little map of a Western town you can quickly see one of the results of our tremendous telephone expansion program. The light part shows the area of the community served by the local telephone exchange, at basic local rates, before we began to build following World War Two. The shaded area shows what we've added in just the past five years to keep up with the growing city. In many places the added area is larger than the old.

3. All this newly built-up calling area—which adds greatly to the number of telephones you can call —is another boost in the value of the service for local telephone users. You can call anywhere in these newly built-up areas at rates which are a real bargain today. For in spite of inflation, in spite of higher costs of providing service, telephone rates on the average have gone up less than half as much as the cost of living.

2. New equipment in amazing amounts has been put to work to increase the number of telephones you can call in most towns. For adding each new line means providing a separate pair of wires back to the central office. And the distance we must run these wires increases as we push out from the main part of town. Expensive, yes. In fact, our expansion program in the last five years is the largest ever executed by an operating public utility.

Price increases since 1940

HELPFUL HINTS

FROM LAFAYETTE FURNITURE

Here's a new idea that works. You can remove stains and scratches in seconds by rubbing them with a soft cloth. Complete the job by polishing the surface in the ordinary way.

And talking about nutty ideas—in our Colonial Gift Bar—we have the cutest little nut bucket for storing just such things. It's made of antique pine and costs only \$4.50. We have a number of other items from this factory (Three Mountaineers) and they're all nice—cooky buckets, knife trays, bellows, mirrors, lazy susans and millions of other stuff.

Of course, the easiest way to get lipstick stains off cloth fabrics is not to get them on in the first place. However, here's how they're removed. If the cloth is washable, soak the stain in ordinary cleaning fluid (no gasoline, please) for a few minutes, then wash the garment in warm soap suds. If the cloth isn't washable, remove the stains as per directions on the cleaning fluid container.

Tanagers Celebrate 6-Month 'Birthday'

The Tanagers, Mt. Diablo Child Therapy Center, celebrated their six-month "anniversary" Monday at a birthday party to which they invited their friends and members of their sister Orinda unit, the Orioles.

The Brazilian Room in Tilden Park was the setting. Highlights of the occasion was Mrs. Stuart Henderson's play-reading.

Mrs. Henderson, dressed in a stunning white suit and white orchids, captivated her audience with her story-telling ability and humor.

JOTTINGS DURING the afternoon—Ida Zamloch, in a smart print suit, helping with the table settings. Mrs. John Almond and her committee arranging individual centerpieces of colorful candles surrounded by lace doilies and old-fashioned bouquets of spring flowers.

Mrs. Donald Anderson, president of the Tanagers, cool in a red and white print, introducing honored guests, among them Mrs. Grace Edwards, vice-president of the Board of Directors of the Center, and Mrs. Carl Wellington Smith, president of the Orioles.

WITH MRS. SMITH FROM the

Orioles were Mesdames Frank Silva, Calvin Hagstrom, G. Chester Brown, Thomas Moore, R. C. Diehl, W. R. Arhens, and E. W. Druhe.

Mrs. Victor Savale, general chairman for the event, capably handling all details. Mrs. George Klement, ways and means chairman for the Tanagers, for once seated, enjoying an afternoon.

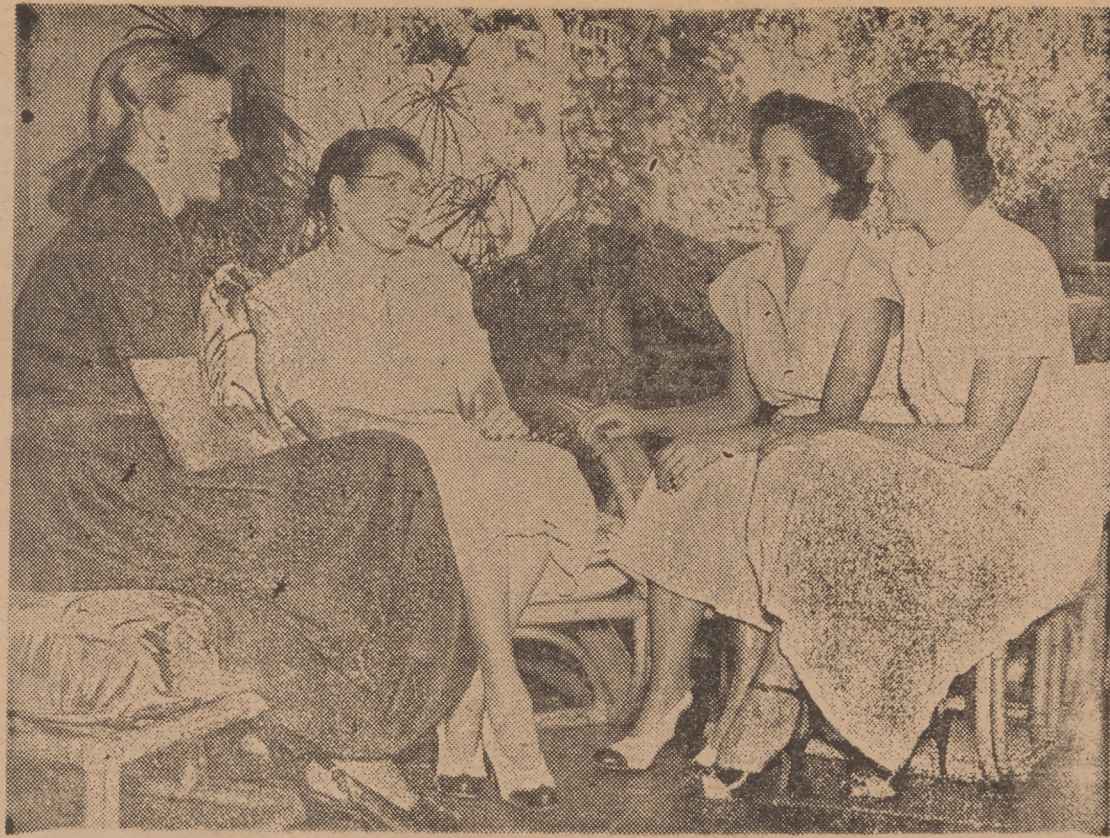

Mrs. James Seaman taking this opportunity to entertain her mother. Ditto, Mesdames Miles Sutcliffe, Berton Kohler, Joseph Downs and William Witter.

Mesdames Joseph Sheaff, Douglas Englehart, Robert Harrison, Jess Schwarck, all guests of Mrs. Robert Bigler, Tanager representative to the Therapy Center Board.

Mrs. Dan Carter with Mrs. Alex Morris; Mrs. William D. Coleman in furs and a new hairdo.

Vacation plans bubbling over dessert. Mrs. Donald Krotz off to South America, Mesdames C. E. Cook and Robert Boyle to the East.

The Tanagers wish to thank Hill Brothers Coffee, Orchard Nursery and Charlotte's Bakery for helping to make this function a success.

'FALL FIESTA' isn't as far off as it may sound. It's the name of a gala fashion-food-fun gathering being planned for September 29 by the Santa Maria Catholic Women's Club of Orinda. Site of the affair will be St. Mary's College at Moraga. Here are a few of the women who are busy with plans for the "Fall Fiesta"—left to right, Mesdames Robert Boyle, John Stoffel, John Stahl and F. D. Courneen, chairman for the event. —Tribune photo

Period Costumes Entrance Church Guild

One of the loveliest parties ever held by the Women's Guild of Orinda Community Church was its annual luncheon June 5.

The day was a windy one, but the patio of the Woodburn Lamb home on Oak Arbor Road was protected by wings of the Spanish-type home and encircling oaks.

THE HOSTESSES were charming in their long white gowns, graduation dresses of former years—tucked and lace-trimmed with insertions and edgings.

The large tables had a delicate green covering, and the smaller ones had cloths of many pastel colors. On all were arrangements of bright spring flowers.

A delicious lunch was served by the committee. These girls, in their old-fashioned costumes, added to the atmosphere of the afternoon.

THE PROGRAM FOLLOWING the luncheon was even more interesting than had been anticipated. It featured the modeling of 15 authentic period costumes by Nina Almond, Sherill Fitch, Leona Hunn, Gene Von Guenther and Ruth

Thurston.

A 16th one was modeled by Mrs. F. W. Gehrig herself, the collector and owner of the costumes, which seem no less elegant today than when they were worn as wedding gowns, afternoon frocks, riding habits, carriage costumes, reception gowns and even for court dress!

The materials were silk taffetas, moires, brocade silk or velvet, and some with trimmings of rose-point lace.

The narrator, Mary Dorr, told the history of each gown. The costumes dated from 1823 to 1890.

BESIDES THE DRESSES, there were the accompanying rustling of petticoats, dainty slippers, lace mitts and plumed hats or captivating poke-bonnets, and handsome velvet and lace wraps.

The five models walked around the patio to the violin and piano music of Lois Flenner and Dorothy Turk.

The audience was told that Mrs. Gehrig has willed this collection of exquisite costumes to the Metropolitan Museum of New York.

500 at Meeting Of Home Society

Almost 500 guests interested in California adoptions attended the annual meeting of Children's Home Society of California June 5 in Oakland. This year's meeting marked the completion of the society's 50th year of service to children awaiting adoption.

The Northern California meeting featured a talk by Charles I. Schottland, director of the State Department of Social Welfare, who lauded the work of child welfare agencies in today's busy world.

Attending from Pandora Chapter were Mrs. John Barchfield, new president of Pandora, and Mesdames C. M. Henrici, John Cooper, Fred Repp, Roy Stewart, James A. Brown, Wellington Ray and W. F. Houston.

12-15 Club Sews for Hospitalized Vets

The 12-15 Club met Tuesday at the home of Mrs. Ed Nelson, Mrs. E. B. Seim acting as hostess. The members sewed on tea towels and carpet slippers for veteran's hospital patients.

On June 26 club members will be guests of Mrs. Alphonso Pasteris at a luncheon in the Orinda Country Club. During the summer members will continue their "home work" sewing and will meet occasionally for informal affairs.

Will you be killed tomorrow? Drive very carefully.

Orinda Women Will Make Tour of Europe

Mrs. Jean Ray of 8 Santa Lucia has left by plane for New York. There she will join the group of 15 Californians who will sail with her aboard the Queen Elizabeth next Friday for Europe.

Miss Barbara Axton, also of Orinda, will fly to Paris June 26 and join the group there, on its European tour.

Mrs. Ray, employed by an Oakland travel bureau, is director of the tour. The group will visit all of the best known places and many of the out-of-the-way places of 10 European countries.

On August 27 the tour ends in New York, but Mrs. Ray will stay on in Europe, where she will visit friends in England and Holland before returning home.

Clipper-Shipmate Barbecue on 22nd

The Clippers and Shipmates will have a barbecue next Friday evening, June 22, at Sequoia Lodge, Oakland, at 6:30.

Members and guests will be notified what they are to bring. On the arrangements committee are Ken and Jessie Swift, Martha and Lee Atkins, Roy and Helen Clark, Charles and Lois Flenner and Evangeline and DeLos Winkler.

Among interesting items on the program will be songs by Jim Hupp, a skit by Marian Brown, Jessie Swift and Mollie Nelson, piano selections by Jane Engelsman and community singing by the group.

Chi Lambda, New Delphian Group, Has 1st Meeting

Organizational meeting of Chi Lambda Chapter of the Delphian Society was held recently at Orinda Community Church.

Mrs. Vera Tucker O'Reilly, national supervisor, was in charge of the June 4 gathering.

Officers elected for the coming year are Mrs. Robert J. Powell, president; Mrs. Wesley J. Smith, vice-president; Mrs. Walter N. Boyesen, treasurer, and Mrs. Karl E. Fitch, secretary.

Mrs. Paul F. deBruyn Kops was appointed chairman of the Seminar Board and will be assisted by Mrs. Ida Zamloch and Mrs. W. C. Witter.

Mrs. Boyesen will serve as word chairman.

New charter members are Mesdames Kenneth K. Renwick and Randall Cook.

Speaking of the Delphian three-year program, "Patterns for Modern Living," Mrs. O'Reilly told the meeting:

"From the beginning the Delphian philosophy has been that better family, community and national life evolves only through improved knowledge, thinking and self-expression on the part of the individuals who make up our own society."

Newlywed Winfreys Will Live in Orinda

Following their wedding trip to Oregon, Mr. and Mrs. John Winfrey (Helen V. Power) will make their future home in Orinda.

The couple were married recently at St. Anne's Church, San Francisco, the Rev. Father James Coffey officiating.

Escorted altarward by her father, the bride wore a traditional gown of cream satin with fitted bodice and long, tight-fitting sleeves. French lace fashioned her veil and the bridal bouquet was of white orchids and stephanotis.

Mary Walsh, maid of honor; Mrs. Ted McHugh and Kay Mulvihill, bridesmaids, were all University of California Alpha Gamma Delta Sorority sisters of the bride. They wore pale yellow embroidered orandy dresses for their roles and wore headpieces of white marguerites.

John's brother, Richard Winfrey, was best man, and ushers were Joseph Wiedman, Ted McHugh, Robert Gaudy and the bride's brother, John Power.

The Century Club was setting for the wedding reception.

The bridegroom, an alumnus of U. C., where he was affiliated with Kappa Alpha, is the son of Mr. and Mrs. John S. Winfrey of Berkeley.

Happy Birthday to You

MARK GATHINGS celebrated his 10th birthday June 2 with a luncheon party followed by the show at Teatro para Ninos. A western cake was the big attraction. Those enjoying the party with Mark were Peter Telfer, Clay Corrick, Jerry Upson, Roddy Camp, Bobby Shurtleff, Ken-ny Phelps, John Baratel, Nancy Barrows, Padgett Gathings, Dick Stark and Douglas Morhead.

LORNA WALLACE celebrated her sixth birthday May 30. Her guests enjoyed refreshments and television and included Susan Rochester, Cheri Hishita, Betsy Merrill, Laurie Smith, Laurie Christis, Clarinda Telfer, Toni Brothers, Carol Courant, Patty Anderson, Marsha Hodes, Barbara Mullally, Greg Maddox, Ricky Borden, Jack Witters and Randy Martin.

DOUGLAS HUDSON had a lunch and swimming party with 12 guests May 26. The occasion was his eighth birthday.

STEVE SORRICK was seven years old and celebrated May 26 with lunch followed by the show at Teatro para Ninos with the following guests: Denny Lucas, Peter Lamb, Alan Sorrick, Clarinda Telfer, Clay Sorrick, Padgett Gathings, Cris Felchlin and Steve Miller.

MARY GARDINER celebrated her ninth birthday June 2 with a luncheon party followed by swimming at the Park Pool. Her guests were Karen Peterson, Susan Schwatka, Linda Eberhart, Joan Eberhart, Susan Jenders, Linda Liancioni, Heddy Dutra, Charlie Ward and Judy Courtwright.

JIMMY CRALL was six years old June 1 and celebrated by having his friends over for games in the morning, followed by lunch and then afternoon kindergarten. One of the games most enjoyed was "Pin the Hat on Hoppy." Those joining with him were Steven Dunlap, Erick Ramsing, Robby Spott, Teddy Howard, Bobby Blue, Bobby Eberlin, Scott Huntley and Cris Combs.

BRUCE NICKERSON had his whole kindergarten class to help him celebrate his sixth birthday May 29. There were 21 who were able to attend, and all had a wonderful time.

BOBBIE CLIFFORD celebrated his seventh birthday June 8 with

a party in an Indian theme. As his guests arrived on the wooded slope of his Orinda Highway home, Indian headdresses were placed on their heads and the games that followed were such that any little Indian would enjoy. The chief "Indian squaw," Bobby's mother, Doris Clifford, led an Indian circle dance. In a hunt for "game," each had to find his package of candy among the trees.

The children enjoying this novel party were John Cooper, Jay Jacobus, Dicky Palmer, Julie Henderson, Judy Lucas, Dennis Lucas, Don Flenner, Bobbie Ross, Joey Moore, Hank Lofland, Tommy Richards, Randy Macks, Ricky Merriam and Paul Rieger.

RICKY CLIFFORD had his birthday party June 10 when he became 10 years old. After refreshments of ice cream, cake and candy, he and his guests were taken to the Orinda Theater. Ricky's guests were Tommy Bacon, Bobby Courant, Dixon Farmer, Tommy Miles, Bobby Udahl and Gary Lucas.

KENNY NATTRESS celebrated being one year old with a party June 10 in the patio at his home, 90 Tara Road. His guests were his sisters, Susan and Karen Nattress; Laurie Fox, Pat and Cathy McGowan, Cheryl Pauly, Maureen Daley, Joanne and Peter Burman and Tommy Matthews. Games, cake and ice cream were highlights.

While the youngsters enjoyed themselves, 15 grownups in the offing had their own, somewhat more subdued, gathering. The adults from the families included hosts Mr. and Mrs. Ken Nattress, Kenny's parents.

Luncheon Closes Year for Pandora

A gala luncheon meeting at the home of Mrs. James H. Anderson on Via Hermosa Monday marked the close of a most successful year for the Pandora Chapter of the Children's Home Society.

Mrs. Anderson was assisted by Mesdames Lloyd Calloway, John Cooper and T. E. Haley.

Mrs. Fred Repp, outgoing president, turned over the duties of her office to the new president, Mrs. John Barchfield.

Other officers elected for the coming year are Mrs. Edward Nelson, vice-president; Mrs. Lloyd Calloway, treasurer, and Mrs. William K. Houston, secretary.

Committee chairmen include Mesdames Kenneth St. Clair, corresponding secretary; Roy Price, membership; K. Starling Simmon, projects; James H. Anderson, tickets; Edward Dorresten, sewing; James A. Brown, telephone, and W. E. Hanley, small stuffed animals.

Piano Students Give Recitals

At two separate gatherings, piano students of Mrs. Harriet McQuiddy recently entertained their families with musical programs.

At Orinda Community Church on June 3, the following youngsters, all from Glorietta School, performed:

Patricia Boehm, Claire Cianciarulo, Louise Cianciarulo, Ellen Cianciarulo, Jacquelyn Conda, Barbara Davis, Sally De Witt, Johnny Dodge, Michele Harter, Marilee Harter, Bob Hudson, Brenda Inman, Genise Inman, Charlotte Kimball, George Kimball, Marcia McQuiddy, Julie Smith, Suzanne Tharpe and Charles McQuiddy.

On May 20 a group gathered with their families at the home of Mr. and Mrs. John Ogden for a musical program. Selections were played by Julie Allen, Jock Bannister, Hetty Dutra, Donnie Franklin, Roger Franklin, Roxie Huntley, Rita Kingham, Jack Ogden, Donald Phelps, Kenneth Phelps and Stephen Smith.

Refreshments and a social hour followed each recital.
